

THE MOODY SUMMIT OPPOSING THE NEW CHRISTIAN ANTISEMITISM

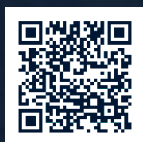

Saturday, November 7, 2026 • 9:00 a.m.–5:00 p.m.
Moody Bible Institute, Chicago

What many believed was a hatred confined to the past has reemerged in our time. Antisemitism—often called “the longest hatred”—is again on the rise across the political spectrum. Surprisingly, it is also appearing among professing Christians, revealing the need for a biblical response.

Join us for this powerful one-day conference as we explore God’s enduring, covenant love for the Jewish people. Learn how to reject hatred, speak truth, and reflect God’s love to those He calls His Chosen People. You’ll leave strengthened in your faith and equipped to respond with courage, compassion, clarity, and hope.

Hear from influential leaders who will inspire you to make a meaningful impact:

- **Dr. Michael Rydelnik**—Professor Emeritus of Jewish Studies and Bible at Moody Bible Institute, national host and Bible teacher on Moody Radio’s *Open Line* with Dr. Michael Rydelnik
- **Dr. Everett Piper**—President Emeritus, Oklahoma Wesleyan University
